AAF Yard Sale A Huge Success

The annual Waggin' Tails Yard Sale held June 18th-20th raised over \$7000 for our homeless pets. The three day event was very well attended despite less than ideal weather on that Saturday. We want to thank everyone who came out to support us and we would especially like to thank the many volunteers who worked tirelessly to make sure the yard sale was another huge success! Thank You! Thank You!

The Grounds, They Are A Changin'

If you've driven by the shelter lately, you may have noticed the facelift that the north side of the building is receiving. The limestone walking path is now complete, including a shaded area so volunteers and pets can get a break from the hot summer sun. After last years geothermal installation, the grounds on the north side were in pretty rough shape and now everything has been graded and loads of manure have been brought in to ensure that we can grow plenty of lush grass. The planting of several trees is also planned. We want to send out a special thank you to AAF volunteer Gary Higgs for his many hours of hard, physical work in this extreme heat...and also to Baker Hardware and Ross Tool Rental for their generosity.

Thursday Orientations Cancelled

Unfortunately, we will no longer be holding volunteer orientations on Thursday's. We may resume orientations on Thursday's in the fall as Miami University begins classes. We apologize for any inconvenience. We are still holding volunteer orientations each and every Saturday from 11am-1pm.

Summer Newsletter

The latest edition of the Pet Pulse Newsletter is complete and will be available on our website soon. You can also have a hard copy mailed to your home...just email us with your home address and you'll receive it in the mail. You can also pick up a copy at the shelter.

Sincerely,

Eric Johnson
